Home Builders Association of Alabama Announces Support for Chris Lewis for Congressional District 5

MONTGOMERY, February 24 - The Home Builders Association of Alabama (HBAA) is proud to announce its support for Chris Lewis for Alabama's 5th Congressional District. As a Navy veteran and an individual with a keen focus on the issues facing North Alabama, the HBAA feels that Chris is well suited to represent the District.

Housing is important to local, state, and national economies and accounts for about 15% of the nation's Gross Domestic Product. The HBAA believes that in this critical election year that it is important to elect pro-housing, pro-business candidates to Congress in order to ensure that the housing and economic recovery continues to move forward.
