Mr. Chris Lewis,

The Professional Fire Fighters of Alabama (PFFA) take very seriously our commitment to individually evaluate every candidate in order to protect the citizens and our membership that we represent. We make our endorsements based not only on a candidate's alignment with our core issues, but also on their ability to be an effective member of Congress once they are elected.

With that being said, in the race for United States Congress in Alabama's 5th District, we are proud to endorse you for election. You represent the values that we, collectively as a profession and community, continue to fight for. The PFFA is proud to support those who support us.

As a veteran of our nations' military and in speaking with you, it is apparent that you have a clear vision for the needs of Firefighters and the citizens of Alabama alike. We look forward to working with you on important issues that you may encounter during your tenure in Congress.

The PFFA is made up of over 3,000 Professional Fire Fighters across Alabama and we proudly stand with you in your candidacy to make this state safer, stronger, and more united.

Sincerely,

David J. Harer
